Kelsey, Christina; Representing Insurance Commissioner Mike Chaney, MS Insurance Department
Upchurch, Kevin; Executive Director, MS Department of Finance and Administration

Motion was made by Commissioner Chaney to approve the minutes of the January 10, 2013, meeting. Mrs. Fitch seconded the motion, which passed unanimously.

Under Old Business, Mrs. McElroy reviewed a summary of current legislation staff is following this Session. She also reported that the Governor has appointed a new Chairman – P. Ryan Beckett. Mr. Beckett is currently working on Senate confirmation and should be in attendance at the May meeting.

Under New Business, Mrs. McElroy introduced Wes Burleson. Wes is the newest member of the staff and will be working with Bruce Donaldson managing claims.

Mr. Jim Logan presented the financial report through February 28, 2013. Assessment receipts of \$4 million reflect collection of 100% of the total assessment for the year. Total expenditures through February were \$3.5 million. Funds by account breakdown with \$2.1 million in the Treasury, \$102,718 in the Trustmark TPA account, and \$13.1 million in

investments. Mr. Logan advised that the fund has \$6.5 million reserves, and \$8.8 million unencumbered cash. Claim payments to-date total \$1,033,978; legal expenses total \$811,027; other expenses total \$14,900. The average claim paid is \$1,966 with an average reserve of \$10,092. In the absence of Mr. Wilson, Mr. Logan reviewed the February 2013 portfolio highlights. The total portfolio of \$13.1 million reflected a yield of 2.14% at the end of February. Mr. Wilson had hoped to be at this level by the end of the fiscal year. We are ahead of schedule due in part to growth in housing and unemployment. Mr. Wilson now looks to achieve 2.5% by next fiscal year.

Mr. Milner reviewed the Loss Control activities since the last Board meeting. He has completed Defensive Driving training for three (3) transportation districts – Yazoo City, McComb, and Hattiesburg – and is training in Jackson this week. He has trained 1,800 MDOT employees in those three districts, plus over 420 this week. He is very optimistic this will reduce fleet liability exposure for the Department of Transportation.

Mrs. McElroy presented one (1) attorney for inclusion in the approved Attorney Register: Vikki J. Taylor of Gibbs Whitwell, PLLC. Ms. Taylor meets the eligibility requirements of the Board and staff recommends approval. Mr. Upchurch moved to approve and Mrs. Fitch seconded. The motion passed unanimously.

Mrs. McElroy presented a list of 29 political subdivisions with the recommendation that all be approved for renewal of Certificates of Coverage. Mr. Upchurch made a motion to approve the list and Mrs. Fitch seconded the motion, which passed by unanimous vote.

Motion was made by Mr. Upchurch to approve the minutes of the November 15, 2012, meeting. Mrs. Kelsey seconded the motion, which passed unanimously.

There was no Old Business.

There was no New Business.

Mr. Jim Logan presented the financial report through December 31, 2012. Assessment receipts of \$3.8 million reflect collection of 93% of the total assessment for the year. The balance should be received in January. Total expenditures through December were \$2.9 million. Funds by account breakdown with \$4.07 million in the Treasury, \$199,897 in the Trustmark TPA account, and \$11.4 million in investments. Mr. Logan advised that the fund has \$6.3

million reserves, and \$9.3 million unencumbered cash. Claim payments to-date total \$941,901; legal expenses total \$619,226; other expenses total \$9,815. The average claim paid is \$2,155 with an average reserve of \$9,225. Mr. Logan then reviewed the Budget Comparison Report through the first allotment period by category.

Mr. Jeff Wilson reviewed the December 2012 portfolio highlights. The total portfolio of \$11.63 million reflected a yield of 1.75% at the end of December. This is the first time in the last six months we've seen an increase in this percentage. One more hurdle remains with the debt ceiling, but Mr. Wilson still expects to achieve 2% by fiscal year 2013 year-end.

In Mr. Milner's absence, Mrs. McElroy reviewed the Loss Control activities since the last Board meeting. The four (4) emergency responses were MEMA-related. You will see those reported when state agencies are involved. Mr. Milner is in McComb this week conducting Defensive Driving classes for the Department of Transportation. He will cover one district a month, wrapping up with Tupelo in May. MDOT is making this training mandatory statewide for all personnel who currently operate or who may operate an agency vehicle. We are very excited about this collaboration! Feedback from participants and MDOT administration is very good. MDOT is very happy with the money we are saving them since Mr. Milner's services are free.

Mrs. McElroy presented one (1) attorney for inclusion in the approved Attorney Register: Scott F. Singley of Brunini, Grantham, Grower & Hewes, PLLC. Mr. Singley meets the eligibility requirements of the Board and staff recommends approval. Mr. Upchurch moved to approve and Mrs. Kelsey seconded. The motion passed unanimously.

Mrs. McElroy presented a list of 107 political subdivisions with the recommendation that all be approved for renewal of Certificates of Coverage. Mr. Upchurch made a motion to approve the list and Mrs. Kelsey seconded the motion, which passed by unanimous vote.

There was no Claims Report.

There being no further business to come before the Board, the meeting was adjourned.
